

## Sophisticated Investor-Wholesale Leverage Change Terms

This document determines the terms of the leverage change request ("Request"). Together with all the legal documents of **INGOT Brokers**, they form the totality of the agreement between INGOT Brokers (Australia) Pty Ltd. (ABN: 87 159 895 431, AFSL: 428015) ("**INGOT Brokers**") and the Client.

The Client hereby explicitly acknowledges and agrees that by submitting to **INGOT Brokers** the Request to update the trading account's leverage, either by documentation and/or email and/or ticking in the relevant space, links or buttons as may be indicated by **INGOT Brokers**, to express the Client's approval of the terms and conditions set below as may be updated and changed from time to time at **INGOT Brokers'** sole discretion.

The Client consents to change the trading account(s) associated with account number(s) submitted in the Request to a higher or lower leverage ratio, subject to the following terms and conditions (the "Terms"):

1. The Client consents to electronic communication in accordance with these Terms.
2. The Client acknowledges that the request is only applied for major Forex pairs and Spot Metals.
3. The Client acknowledges that **INGOT Brokers** may change the leverage of the accounts at its sole discretion without previous notice depending on its internal risk management criteria.
4. The Client agrees that following his submission of the Request, **INGOT Brokers** will act in a commercially reasonable manner to review the Request, but that it shall not be bound to act or make any decision within 72 Hours. **INGOT Brokers** may approve or reject the Request in its sole and absolute discretion.
5. The Client understands that it is his/her responsibility to ensure that the trading account is flat and he/she has no open positions on Forex pairs and Spot Metals (i.e. no live trades, stop orders, limit orders, or entry orders) at the time of processing. If the trading account is not flat, and there were active trades during the processing of the Request, the Client understands that in case **INGOT Brokers** processed the Request, the positions may be subject to liquidation as the Margin Requirement would change.
6. The Client understands that if he/she has multiple accounts, each account will be reviewed individually and rejected if the criteria are not met.
7. The Client understands that even if the Request is fulfilled, these Terms do not impact **INGOT Brokers** rights under the **Terms and Conditions** to change Margin Requirements in its sole discretion at any time without notice.
8. If the Request is approved, the Client understands that **INGOT Brokers' Terms and Conditions**, and all relevant policies and legal documents will continue to govern the accounts and trading activity with **INGOT Brokers**, as amended and supplemented by these Terms.

9. The Client fully understands how orders are executed and have thoroughly reviewed **INGOT Brokers' legal documents**.
10. The Client agrees that **INGOT Brokers** assumes no liability for any consequences which may arise from processing the Request.
11. The Client accepts full responsibility and liability for the instructions given in the Request.
12. The Client understands that according to **INGOT Brokers** internal Risk Management procedures, the Request is processed based on the account's equity as set out in the table below:

Leverage Based on the Account's Equity		
Equity	ECN	Standard
\$100-\$2,999	Up to 1:200	Up to 1:500
\$3,000-\$4,999	Up to 1:200	Up to 1:400
\$5,000-\$9,999	Up to 1:200	Up to 1:300
\$10,000-\$19,999	Up to 1:200	Up to 1:200
\$20,000 and above	Up to 1:100	Up to 1:100

Kindly note, that any request from an account with equity less than USD100 will not be accepted under these terms.

13. The Client acknowledges that leverage is a double-edged sword and can dramatically amplify losses, and that leveraged trading carries a high level of risk and is not suitable for all investors.
